Supplies (For a bracelet of about 19cm length, including the clasp)

12g Rizo color A

12g Rizo color B

8g seed beads size 11°

1 slider clasp with 4 loops (2,3cm)

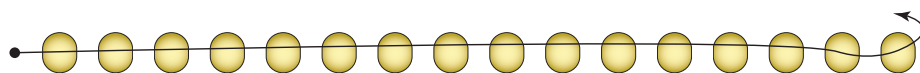

Beading thread (FireLine 0,12mm or Sonoko Nozue Beadingthread)

Introduction

The bracelet is made in Netting. For a better stability, I recommend double thread.

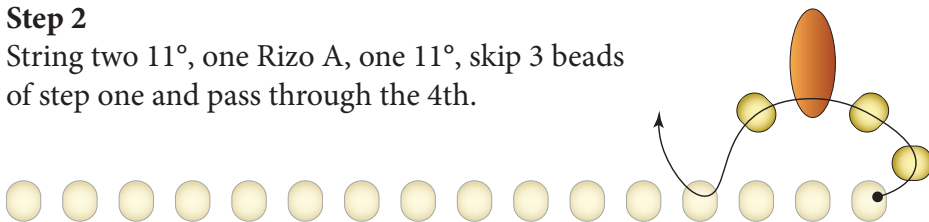

Step 1

String 16 seeds size 11° and slide to the end of the thread.

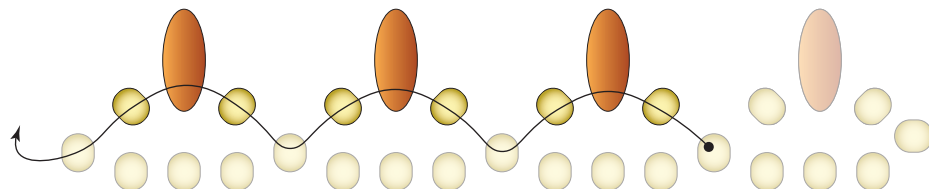

Step 2

String two 11°, one Rizo A, one 11°, skip 3 beads of step one and pass through the 4th.

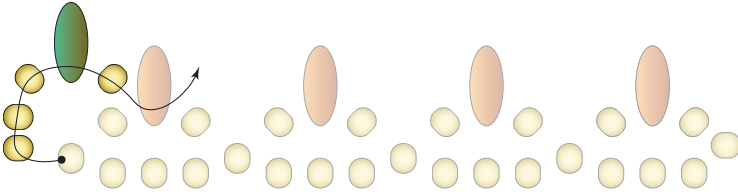

Step 3

String one 11°, one Rizo A, one 11°, again skip three beads of the first row and pass through the next one. Repeat two more times.

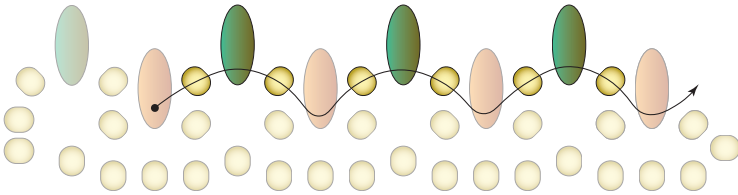

Step 4

For the next row string three 11° , one Rizo B, one 11° , pass through the following Rizo A.

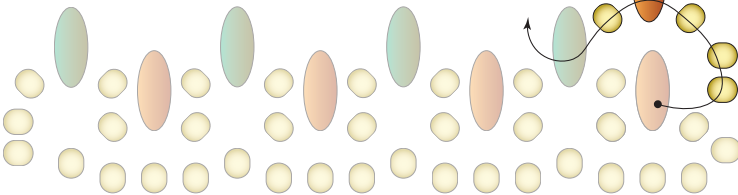

Step 5

String one 11 , one Rizo B, one 11 and pass through the following Rizo A of the previous row. Repeat two more times.

Step 6

String three 11° , one Rizo A, one 11° and pass through the following Rizo B of the previous row.

Step 7

String one 11° , one Rizo A, one 11° and pass through the next Rizo B of the previous row. Repeat two more times.
